

Shapes Storytime

Shake My Sillies Out

Gotta shake, shake, shake my sillies out
Shake, shake, shake my sillies out
Shake, shake, shake my sillies out
And wiggle my waggles away.

Gotta clap, clap, clap my crazies out...
Gotta jump, jump, jump my jiggles out...
Gotta yawn, yawn, yawn my sleepies out...
Gotta stretch, stretch, stretch my stretchies out
Gotta shake, shake, shake my sillies out...

Open Them, Shut Them

Open them, shut them
Open them, shut them
Give a little clap.
Open them, shut them
Open them, shut them
Put them in your lap.

Creep them, creep them
Creep them, creep them
Right up to your chin.
Open up your mouth
But do not put them in.

Open them, shut them
Open them, shut them
Give a little clap.
Open them, shut them
Open them, shut them
Put them in your lap.

Sally the Square

When Sally the Square went to the fair,
She was all alone and blue.
Then she found a square cat to be her friend
And now the squares are two.

When Sally the Square went to the fair,
She was all alone, you see.
But she found a square cat and then a square pig,
And now the squares are three.

When Sally the Square went to the fair,
She wanted to see more.
She found a square cat, a square pig, then a duck,
And now the squares are four.

I Can Draw a Shape

Circles, rectangles, triangles, squares
There are so many shapes out there
Everywhere you look you'll see
Another shape. What will it be?

I can draw a circle.
How about you?
Make a circle like I do.

I can draw a square.
How about you?
Make a square like I do.

I can draw a rectangle.
How about you?
Make a rectangle like I do.

I can draw a triangle.
How about you?
Make a triangle like I do.

My Favorite Shape Is a Circle

(Sung to My Bonnie Lies Over the Ocean)

My favorite shape is a circle,
Because it's as round as can be.
The world is just full of circles,
So think hard and name one for me.
Bubble, bubble, The bubble's a circle for me, for me.
Bubble, bubble, The bubble's a circle, you see.

My favorite shape is a circle,
Because it's as round as can be.
The world is just full of circles,
So think hard and name one for me.
Pizza, pizza, The pizza's a circle you eat, you eat.
Pizza, pizza, The pizza's a circle you eat.

If You're Happy and You Know It

If you're happy and you know it, clap your hands
If you're happy and you know it, clap your hands
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, clap your hands

If you're happy and you know it, stomp your feet
If you're happy and you know it, stomp your feet
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, stomp your feet

If you're happy and you know it, shout hooray—"Hooray!"
If you're happy and you know it, shout hooray—"Hooray!"
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, shout hooray—"Hooray!"

If you're happy and you know it, do all three.
If you're happy and you know it, do all three.
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, do all three.
