

Birthday Storytime

Shake My Sillies Out

Gotta shake, shake, shake my sillies out
Shake, shake, shake my sillies out
Shake, shake, shake my sillies out
And wiggle my waggles away.

Gotta clap, clap, clap my crazies out...
Gotta jump, jump, jump my jiggles out...
Gotta yawn, yawn, yawn my sleepies out...
Gotta stretch, stretch, stretch my stretchies out
Gotta shake, shake, shake my sillies out...

Open Them, Shut Them

Open them, shut them
Open them, shut them
Give a little clap.
Open them, shut them
Open them, shut them
Put them in your lap.

Creep them, creep them
Creep them, creep them
Right up to your chin.
Open up your mouth
But do not put them in.

Open them, shut them
Open them, shut them
Give a little clap.
Open them, shut them
Open them, shut them
Put them in your lap.

It's Your Birthday

(Tune of Skip to My Lou)

It's your birthday, what'll I do?
It's your birthday, what'll I do?
It's your birthday, what'll I do
What'll I do for you dear?

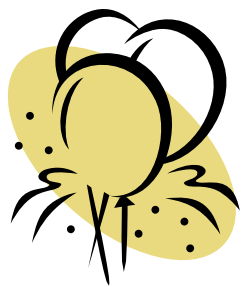

Share my cookie, break it in two
Share my cookie, break it in two
Share my cookie, break it in two
That's what I'll do for you dear.

Wrap your present in ribbons blue...

Give you a hug and kisses too...

Birthday Candles

Today I have a birthday I'm four years old you see
(hold up 4 fingers)
And here I have a birthday cake
(make circle with arms)
Which you may share with me
(point to group)

First we count the candles
Count them every one
One, two, three, four
(hold up fingers one by one)
The counting now is done
Let's blow out the candles
Out each flame will go
(pretend to blow)
As one by one we blow
(bend fingers down one at a time)

Make a Cake

Mix the batter, stir the batter
(make a stirring motion with one arm/hand)
Shake some flour in
(make a shaking motion with one arm/hand)
Mix the batter, stir the batter
(make a stirring motion with one arm/hand)
Place it in a tin
(pretend to pour)
Sprinkle in some raisins in
(pretend to sprinkle)
Pop it in the oven
(open both hands, palms up, and slide them forward)
Open wide the oven door
(pretend to open door)
And out comes the cake!
(open both hands, palms up, and slide them forward)

If You're Happy and You Know It

If you're happy and you know it, clap your hands
If you're happy and you know it, clap your hands
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, clap your hands

If you're happy and you know it, stomp your feet
If you're happy and you know it, stomp your feet
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, stomp your feet

If you're happy and you know it, shout hooray—"Hooray!"
If you're happy and you know it, shout hooray—"Hooray!"
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, shout hooray—"Hooray!"

If you're happy and you know it, do all three.
If you're happy and you know it, do all three.
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, do all three.
