

## Whales Storytime

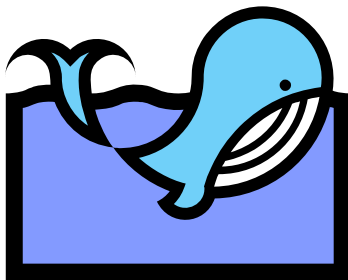

### Shake My Sillies Out

Gotta shake, shake, shake my sillies out  
Shake, shake, shake my sillies out  
Shake, shake, shake my sillies out  
And wiggle my waggles away.

Gotta clap, clap, clap my crazies out...  
Gotta jump, jump, jump my jiggles out...  
Gotta yawn, yawn, yawn my sleepies out...  
Gotta stretch, stretch, stretch my stretchies out  
Gotta shake, shake, shake my sillies out...

### Open Them, Shut Them

Open them, shut them  
Open them, shut them  
Give a little clap.  
Open them, shut them  
Open them, shut them  
Put them in your lap.

Creep them, creep them  
Creep them, creep them  
Right up to your chin.  
Open up your mouth  
But do not put them in.

Open them, shut them  
Open them, shut them  
Give a little clap.  
Open them, shut them  
Open them, shut them  
Put them in your lap.

### Salty Sea Giant

*(Tune of "The Muffin Man")*

Do you know a giant mammal  
Giant mammal, giant mammal?  
Do you know a giant mammal  
That lives in the salty sea?

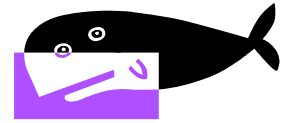

Yes, it is a huge gray whale,  
Huge gray whale, huge gray whale.  
Yes, it is a huge gray whale,  
That lives in the salty sea.

It sprays water out a blow hole  
A blow hole, a blow hole.  
It sprays water out a blow hole  
And lives in the salty sea.

It swims with a big fat tail,  
Big fat tail, big fat tail.  
It swims with a big fat tail  
And lives in the salty sea.

### Down by the Bay

Down by the bay  
Where the watermelons grow.  
Back to my home  
I dare not go.  
For if I do  
My Mother will say  
"Did you ever see a pig dancing a jig?"  
Down by the bay

..."Did you ever see a whale with a polka dot tail?"  
..."Did you ever see a bear combing his hair?"  
..."Did you ever see a moose kissing a goose?"  
..."Did you ever see a bee with a sunburned knee?"

### Five Little Whales

Five little whales swimming in the water  
Five little whales doing what they oughter.  
One of the whales went to search for food  
The other little whales thought that was rude.  
How many whales are left that stayed?  
How many whales are still in the bay?  
*(Count down to one)*

One little whale swimming in the water  
One little whale doing what they oughter.  
The last little whale went to search for food  
And joined the other whales,  
Though he thought they were rude  
None of the whales are still in the bay?  
None of the whales were left that day.

### If You're Happy and You Know It

If you're happy and you know it, clap your hands  
If you're happy and you know it, clap your hands  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, clap your hands

If you're happy and you know it, stomp your feet...  
If you're happy and you know it, shout hooray...  
If you're happy and you know it, do all three...
