

## Environment Storytime

### Shake My Sillies Out

Gotta shake, shake, shake my sillies out  
Shake, shake, shake my sillies out  
Shake, shake, shake my sillies out  
And wiggle my waggles away.

Gotta clap, clap, clap my crazies out...  
Gotta jump, jump, jump my jiggles out...  
Gotta yawn, yawn, yawn my sleepies out...  
Gotta stretch, stretch, stretch my stretchies out  
Gotta shake, shake, shake my sillies out...

### Open Them, Shut Them

Open them, shut them  
Open them, shut them  
Give a little clap.  
Open them, shut them  
Open them, shut them  
Put them in your lap.

Creep them, creep them  
Creep them, creep them  
Right up to your chin.  
Open up your mouth  
But do not put them in.

Open them, shut them  
Open them, shut them  
Give a little clap.  
Open them, shut them  
Open them, shut them  
Put them in your lap.

### My Home, The Earth

*(To the tune of Twinkle Twinkle Little Star)*

I have a home on planet Earth,  
It's here that I was given birth.  
Along with plants and many trees  
Animals, flowers, birds and bees.  
I'll make my home safe and clean  
To keep forests alive and green.

My home, the Earth, needs for me  
To watch the sky, to watch the sea.  
I'll do my part to save my home  
So future children can play and roam  
Upon an earth that shows my care,  
Upon a home so clean and fair.

### Trash All Around

Trash is blowing all around  
*(sweep arms back and forth)*  
In the air and on the ground  
*(More arms high, then low)*  
Let's grab it from the naughty wind  
*(Make grabbing motion)*  
And toss it in a big trash bin.

### The Kapok Tree

*(to the tune of Twelve Days of Christmas)*

We go walking through the Rainforest  
And what do you think we see?  
A yellow leopard in a Kapok tree.

We go walking through the Rainforest  
And what do you think we see?  
Two anacondas  
And a yellow leopard in a Kapok tree.

We go walking through the Rainforest  
And what do you think we see?  
Three caterpillars, Two anacondas  
And a yellow leopard in a Kapok tree.

We go walking through the Rainforest  
And what do you think we see?  
Four leaping monkeys  
Three caterpillars, Two anacondas  
And a yellow leopard in a Kapok tree.

We go walking through the Rainforest  
And what do you think we see?  
Five black tarantulas, Four leaping monkeys  
Three caterpillars, Two anacondas  
And a yellow leopard in a Kapok tree.

### If You're Happy and You Know It

If you're happy and you know it, clap your hands  
If you're happy and you know it, clap your hands  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, clap your hands

If you're happy and you know it, stomp your feet  
If you're happy and you know it, stomp your feet  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, stomp your feet

If you're happy and you know it, shout hooray—"Hooray!"  
If you're happy and you know it, shout hooray—"Hooray!"  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, shout hooray—"Hooray!"

If you're happy and you know it, do all three.  
If you're happy and you know it, do all three.  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, do all three.
