

Angels Storytime

Shake My Sillies Out

Gotta shake, shake, shake my sillies out
Shake, shake, shake my sillies out
Shake, shake, shake my sillies out
And wiggle my waggles away.

Gotta clap, clap, clap my crazies out...
Gotta jump, jump, jump my jiggles out...
Gotta yawn, yawn, yawn my sleepies out...
Gotta stretch, stretch, stretch my stretchies out
Gotta shake, shake, shake my sillies out...

Open Them, Shut Them

Open them, shut them
Open them, shut them
Give a little clap.
Open them, shut them
Open them, shut them
Put them in your lap.

Creep them, creep them
Creep them, creep them
Right up to your chin.
Open up your mouth
But do not put them in.

Open them, shut them
Open them, shut them
Give a little clap.
Open them, shut them
Open them, shut them
Put them in your lap.

Five Little Angels

In the night sky,
Dark as can be.
Five little angels
Guarded over me.
The sun started rising
Turning night into day.
And one little angel flew away.
(count down to one)

In the night sky,
Dark as can be.
One little angel
Guarded over me.
The sun started rising
Turning night into day.
And the last little angel
Stayed with me all day.

Did You Ever See an Angel

(Tune of "Did You Ever See a Lassie?")

Did you ever see an angel
An angel, an angel?
Did you ever see an angel
Fly this way and that?

Fly this way and that way,
And this way and that way,
Did you ever see an angel
Fly this way and that?

Did you ever have an angel
An angel, an angel?
Did you ever have an angel
To guard over you?

At nighttime and daytime
And daytime and nighttime
Did you ever have an angel
To guard over you?

Ten Little Angels

One little, two little, three little angels,
Four little, five little, six little angels,
Seven little, eight little, nine little angels
Ten little angels in the room.

Ten little, nine little, eight little angels,
Seven little, six little, five little angels,
Four little, three little, two little angels
One little angel still here.

If You're Happy and You Know It

If you're happy and you know it, clap your hands
If you're happy and you know it, clap your hands
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, clap your hands

If you're happy and you know it, stomp your feet...
If you're happy and you know it, shout hooray...
If you're happy and you know it, do all three...
