

Fall Storytime

Shake My Sillies Out

Gotta shake, shake, shake my sillies out
Shake, shake, shake my sillies out
Shake, shake, shake my sillies out
And wiggle my waggles away.

Gotta clap, clap, clap my crazies out...
Gotta jump, jump, jump my jiggles out...
Gotta yawn, yawn, yawn my sleepies out...
Gotta stretch, stretch, stretch my stretchies out
Gotta shake, shake, shake my sillies out...

Open Them, Shut Them

Open them, shut them
Open them, shut them
Give a little clap.
Open them, shut them
Open them, shut them
Put them in your lap.

Creep them, creep them
Creep them, creep them
Right up to your chin.
Open up your mouth
But do not put them in.

Open them, shut them
Open them, shut them
Give a little clap.
Open them, shut them
Open them, shut them
Put them in your lap.

Squirrel Song

(To the Tune of: She'll be Coming Round the Mountain)

I'll be gathering all the acorns till they're gone.
I'll be gathering all the acorns till they're gone.
I'll be gathering all the acorns,
Gathering all the acorns,
Gathering all the acorns till they're gone.

And I'll put them all inside my little home.
I will put them all inside my little home.
I will put them all inside,
Put them all inside,
Put them all inside my little home.

And I'll eat the nuts until the winter's gone.
I will eat the nuts until the winter's gone.
I will eat the nuts until,
Eat the nuts until,
Eat the nuts until the winter's gone.

Then I'll do it all again come next fall.
I will do it all again come next fall.
I will do it all again, Do it all again,
Do it all again come next fall.

Autumn Leaves

Autumn leaves are falling, falling, falling
(move from standing position to squatting)
Autumn leaves are spinning, spinning, spinning,
(stand and turn)
Autumn leaves are floating, floating, floating
(sway side to side)
Autumn leaves are turning, turning, turning
(turn slowly)
Autumn leaves are dancing, dancing, dancing
(stand on toes, sway forward and back)
Autumn leaves are blowing, blowing, blowing.
(take several steps forward)
Autumn leaves are falling, falling, falling
(squat)
Autumn leaves are sleeping, sleeping, sleeping
(put hands together on side of face)

Leaves on the Ground

When the leaves are on the ground,
(point to ground)
Instead of on the trees
(hold hands over head)
I like to make a pile of them
Way up to my knees
(clasp knees)
I like to run and jump in them
(jump once)
And kick them all around
(kick with foot)
I like the prickly feel of them
And the crickly, crackly sound.
(snap fingers)

If You're Happy and You Know It

If you're happy and you know it, clap your hands
If you're happy and you know it, clap your hands
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, clap your hands

If you're happy and you know it, stomp your feet
If you're happy and you know it, stomp your feet
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, stomp your feet

If you're happy and you know it, shout hooray—"Hooray!"
If you're happy and you know it, shout hooray—"Hooray!"
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, shout hooray—"Hooray!"

If you're happy and you know it, do all three.
If you're happy and you know it, do all three.
If you're happy and you know it,
And you really want to show it,
If you're happy and you know it, do all three.
