

## **Bats Storytime**

### **Shake My Sillies Out**

Gotta shake, shake, shake my sillies out  
Shake, shake, shake my sillies out  
Shake, shake, shake my sillies out  
And wiggle my waggles away.

Gotta clap, clap, clap my crazies out...  
Gotta jump, jump, jump my jiggles out...  
Gotta yawn, yawn, yawn my sleepies out...  
Gotta stretch, stretch, stretch my stretchies out  
Gotta shake, shake, shake my sillies out...

### **Open Them, Shut Them**

Open them, shut them  
Open them, shut them  
Give a little clap.  
Open them, shut them  
Open them, shut them  
Put them in your lap.

Creep them, creep them  
Creep them, creep them  
Right up to your chin.  
Open up your mouth  
But do not put them in.

Open them, shut them  
Open them, shut them  
Give a little clap.  
Open them, shut them  
Open them, shut them  
Put them in your lap.

### **One Little Bat**

One little bat was trying to behave.  
He hung upside down from his feet in a cave.  
Another bat flew in, and said, "How do you do?"  
The 2nd joined the first, and then there were 2!

2 little bats were trying to behave.  
They hung upside down from their feet in a cave.  
To help pass the time, they sang "Do re me"  
Another bat joined the song, and then there were 3.

3 little bats were trying to behave  
They hung upside down from their feet in a cave  
From their cave perch, they looked down at the floor,  
A new bat joined the game, and then there were 4.

4 little bats were trying to behave.  
They hung upside down from their feet in a cave.  
One little bat zoomed inside and did a dive.  
He stayed to take a rest, and with him there were 5.

### **One Bat Hanging in the Steeple**

One bat hanging in the steeple  
One bat flies in through the door  
That makes two bats in my belfry  
Wonderful, but there's more!

Two bats hanging in the steeple  
One bat flies in through the door  
That makes three bats in my belfry  
Wonderful, but there's more!  
(continue until 5 bats)

### **Bats Are Sleeping**

(tune of Frere Jacques)

Bats are sleeping  
Bats are sleeping

Upside down.  
Upside down.

Sleeping in the morning sun.  
Waiting for the night to come.

Then they'll fly all around.  
Then they'll fly all around.

### **If You're Happy and You Know It**

If you're happy and you know it, clap your hands  
If you're happy and you know it, clap your hands  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, clap your hands

If you're happy and you know it, stomp your feet  
If you're happy and you know it, stomp your feet  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, stomp your feet

If you're happy and you know it, shout hooray—"Hooray!"  
If you're happy and you know it, shout hooray—"Hooray!"  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, shout hooray—"Hooray!"

If you're happy and you know it, do all three.  
If you're happy and you know it, do all three.  
If you're happy and you know it,  
And you really want to show it,  
If you're happy and you know it, do all three.
